COURSES

Stage 5 – Years 9 and 10

DISCOVER
YOUR PATHWAY
TO SUCCESS

The *Southern Cross Advantage* allows students to fast-track their careers, combining Nationally accredited qualifications with the Higher School Certificate (HSC).

Students have the opportunity to specialise in the performing arts and creative industries, or they can seek out a first-class innovation and enterprise pathway in the education, health, trades, technologies and service industries. Or combine both!

Changes to ATAR eligibility rules for the 2024 Year 11 Cohort means that students can study more VET framework courses and have them contribute to their ATAR.

PROVIDING A PATHWAY TO
CERTIFICATE II AND III
QUALIFICATIONS

Students enrolled in Year 9 or Year 10 study the six mandatory courses and can then elect to study one or two of the elective courses from the below offerings. Please note that the Vocational Courses are 'Early Commencement Stage 6' offerings.
